

This is an ideal introduction to Anthroposophy or Waldorf Education for all adults who wish that they could have had a Waldorf education in their childhood and youth. It is especially helpful for parents who have or wish to have their children in a Waldorf program since through this they can really get to know the Waldorf Impulse and Approach.

Foundation
Course
2010=11

Tuition Fees: \$850 for the Course.
\$800 if paid by August 1st, 2010. Tuition may be paid in 10 monthly installments of \$85 on the first of each month from August to May.
